	collaboration, learning and mutual support among CSAs of the region?			
3. <u>CLEARNESS AND</u> GENERAL QUALITY	(i) Does the Plan present in a clear and direct language the opportunities and			0/16
	challenges that are going to be addressed? (j) Are the stakeholders role and responsibilities clearly described?	 	 	
	(k) Are the objectives clearly defined?	-	+	
	(I) Are the activities clearly defined (time scale)? result-oriented?	-	+	
	Total Score			0/48
	Total Store			0/46
Do you see in this				
proposal opportunities				
for collaboration with				
your CSAs (or others)?				
(maybe techical				
assistance, evaluation,				
joint actions on some				
acvtivities)				
Please share with the				
CSA your				
suggestions/feedback				

Support documentation for your evaluation:

Do you want to keep this evaluation anonymous or you wish to disclose your

identity?

CSAs country profile presentation (given on the first day of the LR during the experience fair)
CSAs country profile questionnaire, submitted before the LR, that provides in depth information about the country context and the CSA
The pre-LR interviews (taken by Ramatu only for some of the countries- all the interviews are available in the LR blog)

The audio recordings of the innovation plan as presented on the last day of the LR, please note that there might be slight changes on scope and strategy
